# Deck Chairs

Buying a deck chair is one decision that you will never regret! Our deck chairs are made of natural beech wood and available with or without armrests. They are easy to handle, comfortable to use, and perfect to use while soaking up the sun. The reclining backrest has three different positions (using adjustable PVC brackets) enabling you to get comfortable within seconds.

The high-quality fabric seat can be printed in high-resolution. These are extremely convenient chairs, especially because they can be collapsed and stacked to save space, or to put in the back of your car to stow around.

Deck Chairs	with armrests	without armrests
Dimensions W x H	Folded 58 x 141 cm Size Cover 43 x 126 cm 3 adjustable heights	Folded 55.7 x 131 cm Size Cover 43 x 119 cm 3 adjustable heights

Weight	3.5 kg	3.1 kg
Bearing strength	110 kg	110 kg

Directors' chairs are great seats for in a bar, at events, parties or even at the beach.

The chairs can be used indoors and outdoors, and are both comfortable and stable. The space on the seat and backrest can be used to print your logo or customised graphics. Both the seat and backrest are exchangeable and washable.

# Beach Chairs

Beach chairs are great for outdoor activities: barbeques, boats, patios backyard, beach, or even camping! Customised graphics ensure that your chair is both comfortable and an efficient marketing tool.

These beach chairs can be assembled in seconds with a flick of the wrist. Within a few seconds the beach chairs fold open, pull apart and that's it – they're ready! It is the perfect design for carriage and storage. Despite their low weight design, beach chairs are highly stable. The textile backrest can be customised with your design or logo.
